Patio Improvement Architectural Review

An **Architectural Review** is **REQUIRED PRIOR** to the replacement of **ANY** Patio Fence, Deck or Patio Floor Surface. Please complete and return this form along with supporting materials, including the REQUIRED detail drawings, at least **45 days** prior to the start of construction.

Thank you for your cooperation

*You must attach a scale diagram (generally provided by the contractor) with **detailed dimensions** of the fence, patio floor surface, relative location of existing building elements such as building walls, corners, doors and provide other specifications or catalog sheets and supplier's material documents related to the change. All requests are considered **DENIED** until specific written approval has been granted.*
